Boundaries[1]
- International
- Unresolved or disputed
- Estimated exclusive economic zones of Pacific Island countries and territories

Populated Places[2]
- Landfills 1–99999
- Airfiles 100000–999999
- Numerous 1000000 or greater
- National Capital (e.g. Ottawa)

[1] *Global Affairs Canada provided advice and reviewed the depiction of international boundaries and other boundary features on the map. Note the representation of political boundaries on the map does not necessarily reflect the position of the Government of Canada on all international issues of recognition, sovereignty or jurisdiction.*

[2] *Some of the populated places have assessed populations, while others are research or military bases with no permanent populations.*
