National Historic Sites in Nunavut

National Historic Sites and their associated artefacts are preserved to promote an appreciation of historic places, people, and events and their contribution to the Canadian identity. There are eleven national historic sites in Nunavut. The first designated historic sites in Nunavut recognized European activities. More recently, the national historic sites have been designated to recognize sites important in aboriginal history.

0 150 300 450 600 km

Lambert Conformal Conic Projection. Standard Parallels 49°N and 77°N
