Miles 1 ¾ ½ ¼ 0 1 2 3 Milles

The daily change of the North Magnetic Pole renders the magnetic compass unreliable in this area. The 1964 magnetic declination at the centre of this map is approximately 162° 20′ West.

La variation diurne du pôle Nord magnétique rend le compas peu sûr dans cette région. La déclinaison magnétique pour 1964 au centre de cette carte est approximativement 162°20′ Ouest.
