

The diagram shows a 2D floor plan of a building with a grid of rooms. The rooms are labeled as follows:

- Top row: 340 A (left), 120 B (right)
- Middle row: 39 G (left), 39 H & 29 G (center, shaded), GND (DN) (right of shaded), GND (DN) (far right)
- Bottom row: 39 F (left), 39 E (center), GND (DN) (right of center), GND (DN) (far right)

The shaded area is located in the middle row, between the 39 G room and the first GND (DN) room. It is labeled "39 H & 29 G". The floor plan is bounded by coordinates: 80° and 81° on the top, 78° on the bottom, and 64° on the right.
